INTRODUCTION TO OUR DISTRICT

Located in the heart of New York State's "Capital District", we are a small city school district with a great deal to offer. We are part of a small, tight knit community with big opportunities for learning and connecting with our roots. Many of nature's beautiful resources figure prominently in our town - the Cohoes Falls, the merging of the Hudson and Mohawk rivers, and sites of the Erie Canal. Our deep historic roots include a significant role in America's Industrial Revolution with nineteenth century textile mills (such as Harmony Mills), beautiful architecture (such as the Van Schaick Mansion and City Hall) and the "Cohoes" mastodon. Opportunities for relaxation and culture feature in seasonal events such the Cohoes Music Hall, "Rock the Block" summer concert series, the Cohoes Turkey Trot, and stores and restaurants along historic Remsen Street. The District is fortunate to be interwoven with this colorful tapestry.

OUR SCHOOLS

The district's three (3) elementary schools have an educational program that allows every student to grow and succeed, meeting both their academic and social emotional learning needs. Cohoes Middle School strives to promote academic achievement while fostering students' social and emotional growth through a team-based approach combined with strong counseling and support. Cohoes High School ensures students become well-rounded individuals who are college and career ready with many advanced placement and dual credit opportunities, a broad fine arts curriculum, more than twenty (20) clubs/ activities and a variety of athletic opportunities.
